

## ACFAA Newsletter November 2008

We have made efforts this year to prevent the delays experienced during the last Christmas dinner and give more time for dancing. To this end we have eliminated the cheese course and seating will be at tables for 8 to 10 which the restaurant says will result in more efficient service than large blocks. With this newsletter you will find a reservation form and as usual you can pick your seat on arrival.

May I remind you of the choral concert by the ACFAA choir on 15<sup>th</sup> November at Eymet Church starting at 8:45 pm. The main item will be Mozart's Coronation Mass and a "vin de honneur" will be offered after the concert. There is no charge for entry but we have decided that the proceeds from the collection to be taken on that occasion will be devoted to Eymet's telethon. Also remember the Christmas Carols in the Bastide Eymet on 17<sup>th</sup> December.

In addition to other activities planned for between now and the dinner, bowling at Bergerac and the visit to Bordeaux Christmas market, we are offering the English members an opportunity to be better informed about French legal matters, particularly motoring law. To that end we are planning a meeting in December to be lead by Gérard Vauxion with answers to your questions. This will only take place if we get the questions in advance so please send them without delay to Ron Tillyer by email at [ron.tillyer@yahoo.co.uk](mailto:ron.tillyer@yahoo.co.uk) or by "snail mail" to TILLYER Ron, Le Vergne, Cogulot, 24500 EYMET.

Finally some dates for your diary of events the social committee have planned for next year:

- 31<sup>st</sup> January – Horse Racing
- 21<sup>st</sup> February – Mardi Gras celebration
- 28<sup>th</sup> March – Jazz evening
- 25<sup>th</sup> April – Petanque competition

Also the AGM next year will take place on 14th May.

We look forward to seeing you.

Ron TILLYER  
President
